- as loaded in Crimma on 18 April, were loaded in Leisnig on 16 April 1952. This indicates that, separate from the other tanks loaded in Leisnig for Koenigsbrueck on 16 April, the tanks concerned had been dispatched in the opposite direction, i.e. Crimma, where they were reloaded two days later.
- (4) The information tends to indicate that the 1st Gds Tank Regt of the 3th Gds Recz Div in Borna was also loaded presumably for movement to Koenigsbrueck.
